

BAUER MBA SOCIETY

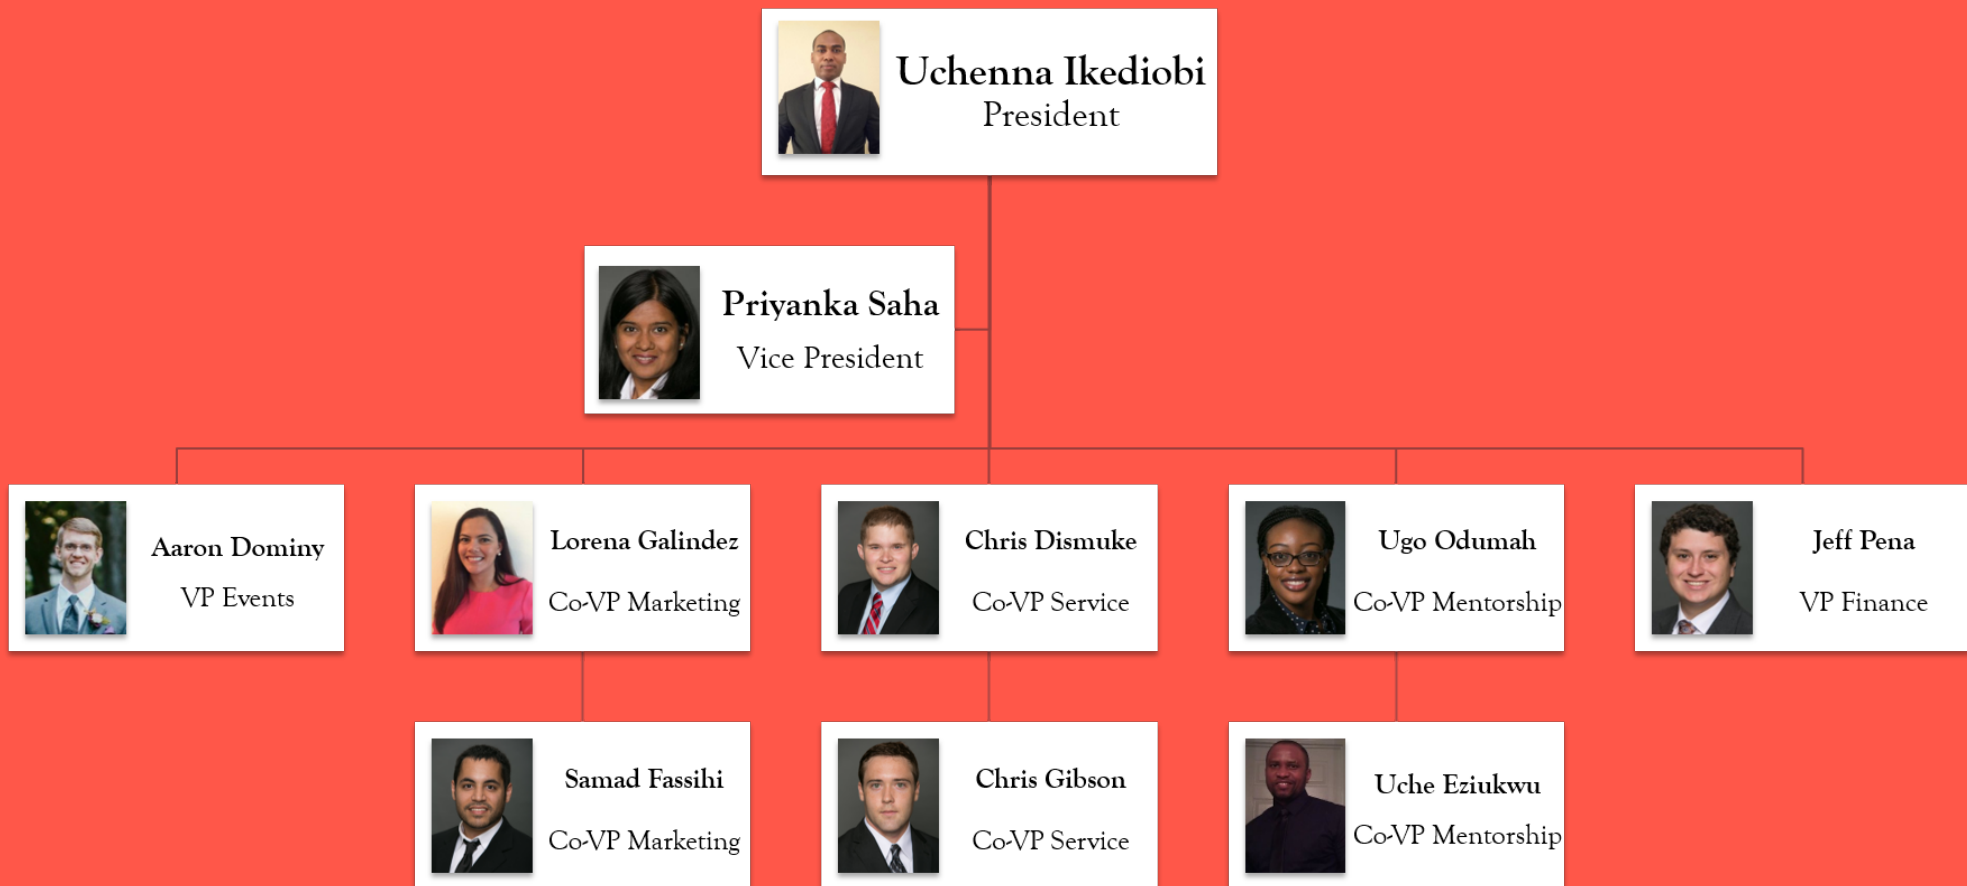

From the classroom to the boardroom

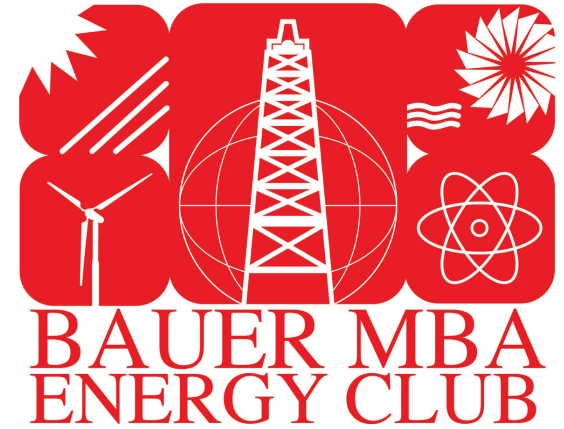

OUR MISSION

The mission of the Bauer MBA Society (BMBAS) is to foster an environment of collaboration and community among graduate-level business students, faculty, alumni and the business community to promote the Bauer MBA.

BMBAS LEADERSHIP

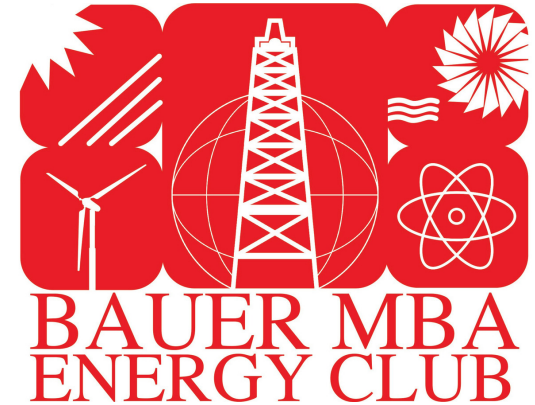

Mission

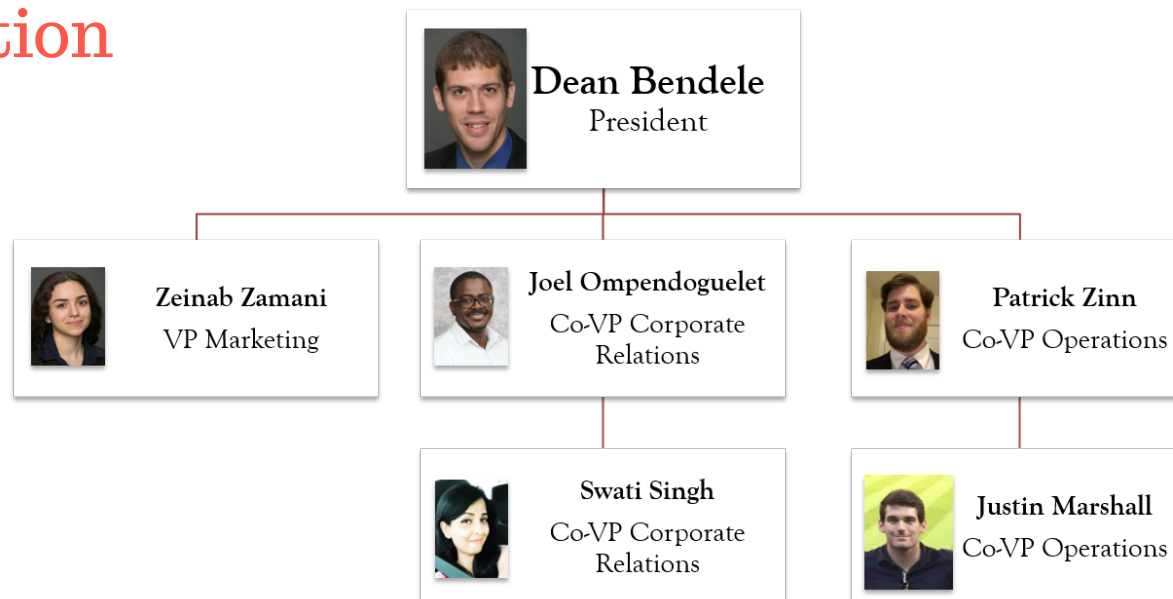

The Energy Club seeks to connect MBA students with Energy Industry companies and professionals to gain greater insight through their patronage.

Goals

- Increase awareness and knowledge of the industry through event organization
- Create a strong network of committed, like-minded club members, and to align the club with industry at large
- Provide club members with career opportunities, whether to transition into the industry or to assume a new role

Organization

Mission

To promote network opportunities in all segments of the Health-care industry through collaboration between Bauer students, faculty, alumni, healthcare professionals, and the community.

Mission

The Bauer MBA Marketing Club provides networking events, forums, and roundtables to ensure Bauer graduate students are connected within Houston. We also link students to marketing job opportunities through the American Marketing Association (AMA).

Organization

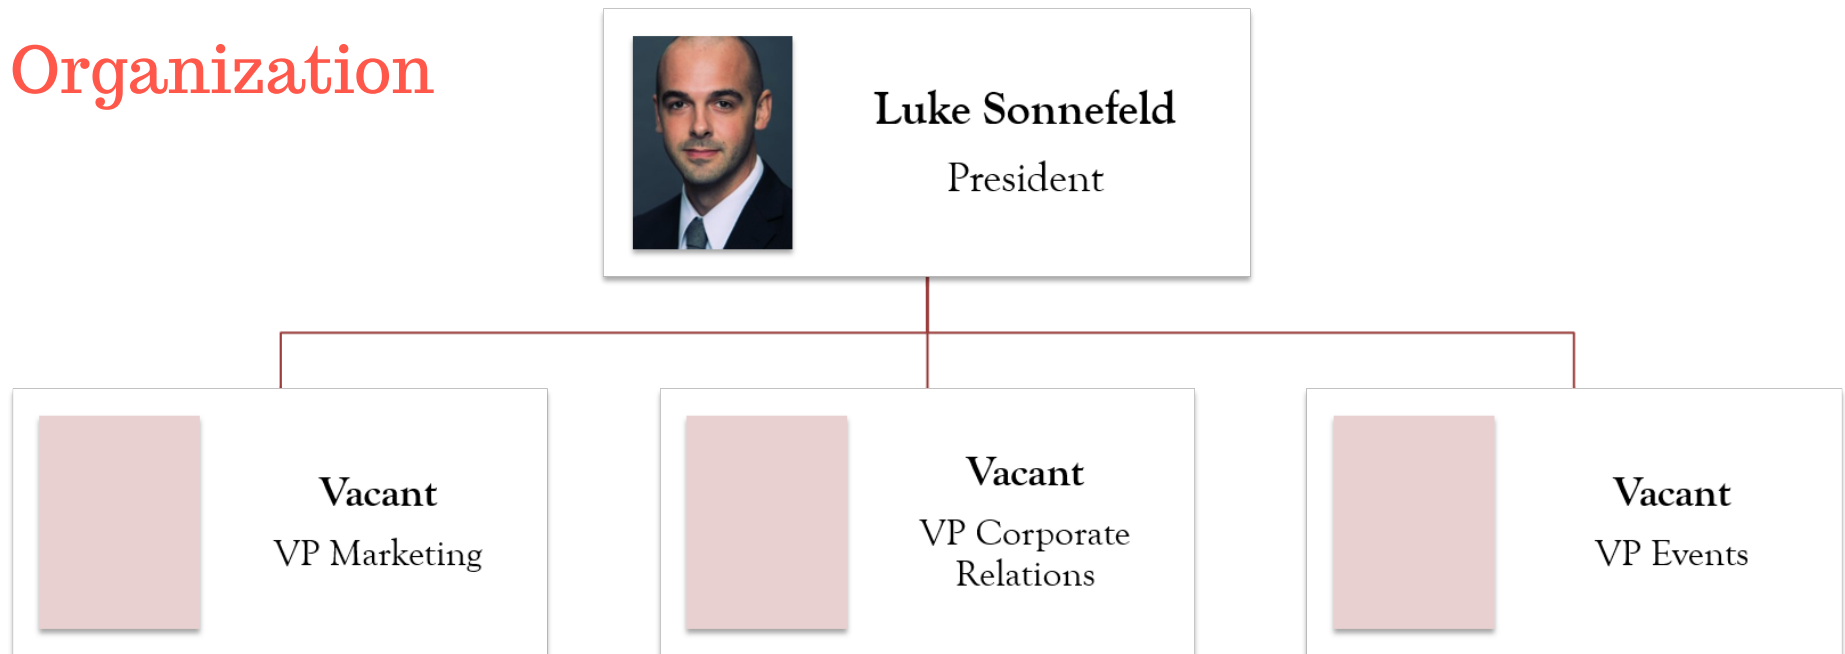

Mission

To provide knowledge and accessibility to the various aspects and opportunities in consulting to current and former Bauer MBA students.

Goals

The Consulting club equips MBA students from various professions with the ability to discover new career paths by providing necessary knowledge and skills to succeed in various fields of consulting. The club accomplishes this by providing networking opportunities along with case prep and competitions with other MBA programs in Houston and the surrounding Texas area.
